

# THIRD ROUND

March-May 2022

northside   
CHANGEMAKERS  
program

## HOPE IN ACTION

The Northside is a community of Changemakers that care about the Northside and have the collective ability to bring about positive change. Northside Rising aims to support, empower and celebrate Northside Changemakers. This program will grow your skills, connections, and confidence for the change you want to see and be a part of creating.

## YOU SHOULD APPLY IF...

...you have time and heart you want to contribute to the community.

...you would like to be a part of a community project - lead, support, or try something new!

...you want to connect with other Changemakers in the community.

...you want to gain life/workplace skills.

...you live on the Northside or have a connection to the Northside.
