

HOPE IN ACTION

The Northside is a community of Changemakers that care about the Northside and have the collective ability to bring about positive change. Northside Rising aims to support, empower and celebrate Northside Changemakers. This program will grow your skills, connections, and confidence for the change you want to see and be a part of creating.

YOU SHOULD APPLY IF...

...you are looking for ways to get involved in the community.

...you have a community project idea and need support bringing it to life.

...you want to connect with other Changemakers in the community.

...you want to gain life/workplace skills.

...you live on the Northside or have a connection to the Northside.
